Students Council Nominations (2023-24)

Dear Students,

Blessings!

I am writing to you today to commend you for taking the initiative to nominate yourselves for various prestigious posts in our school. Your decision to put your names forward for these positions shows a level of dedication and commitment to AMPS that I find truly commendable.

As you prepare to campaign for these positions, I want to emphasize the importance of certain characteristics that will be essential to your success in these roles.

1. **Discipline** is a key trait that is critical for any leader. As potential leaders of our school, it is important that you demonstrate discipline in your actions and decisions, and that you lead by example for your peers.
2. **Good communication skills** are essential for any leader. As you campaign for these positions, it is important that you are able to clearly articulate your vision and ideas for the school, and that you are able to listen to and address the concerns of your fellow students.
3. **A clean record** is also important for any leader. As representatives of our school, it is important that you maintain a high standard of behavior and conduct yourselves in a manner that reflects positively on our community. Any past record of you appearing as a defaulter at some point may put you under a less-preferred category.
4. Finally, it is important to note that **academic and co-curricular excellence** are also key qualities that we look for in our school leaders. As you campaign for these positions, I encourage you to continue to excel in your academic studies and to demonstrate your leadership abilities through your involvement in extracurricular activities.

I wish you all the best of luck as you campaign for these positions, and I am excited to see the great things that you will accomplish as leaders at AMPS.

With lots of love and blessings!

Roopali Kudesia
Principal
