Dear Parents  
Greetings of the day!

We at AMPS strive to actualize the potential of our students by constantly encouraging them to redefine their capabilities. Providing Newspapers is one such endeavour on our part to give the young minds a global platform to update their information bank and to motivate them to participate in a host of competitive programmes.

This year students of AMPS will subscribe to Hindustan Times-pace Membership. The package will include participation in Inter-School competitions, industrial visits and informative workshops which will be spread across the entire session. The subscription is mandatory for all students from class II to XII.

The annual subscription amount per student is Rs. 375/- only, for a duration of eight months. At school, we will be encouraging and guiding students how to read and gain knowledge by reading the Newspaper. During the class teacher period there will be an active session on newspaper reading on every Monday/ Wednesday.

Please fill in the Consent Form given below and the same has to be submitted along with the amount of Rs. 375/- with the Class Teacher of your ward the latest by Wednesday, 26<sup>th</sup> April, 2023.
