## Transition to G2: Summer Vacation Circular (2023-24)

Dear Parents  
Greetings!

"Summer Vacation is all about :Chase the Sun, have loads of fun"

It is the most memorable time for children and adults alike. The experience gained here images a lingering taste that can be cherished decades after decades.

The weather brings warmth in the relationship between the children and the parents as the days are long, and there's no defined schedule to worry about.

It's the perfect time to take a break from the routine and spend some quality time with family. There are countless reasons why summer break is the perfect opportunity for family time. Summer break offers a chance to slow down and relax. During the school year, everyone is busy with work, school, and extracurricular activities. But during the summer, schedules are more flexible and there's more time for leisure activities. This makes it easier to plan family outings, vacations, and activities that everyone can enjoy.

Summer break offers a great time to explore the outdoors. Whether it's a trip to Grandparents' house or an evening picnic in the park, there are endless opportunities to go outside and enjoy nature. Not only is this good for physical health, but it also promotes a sense of well-being and relaxation, not to forget the sweet togetherness with the loved ones too.

Finally, summer break provides a chance for children to learn new skills and pursue their interests. Whether it's taking swimming lessons, learning a new language, or joining a sports team, there are plenty of opportunities for our children to explore their passions and develop new talents. By supporting and encouraging their children's interests, parents can help build their children's confidence and self-esteem.

In order to spend time constructively and make the learning process continuous, our teachers have formulated a holidays' homework assignment for our children. Please find it attached herewith. The same can be submitted by 5th July 2023.

After the summer break, our school reopens on 3rd July 2023

God bless our children!  
God bless AMPS!

Warm Regards

Roopali Kudesia  
Principal
