Dear Parents
Greetings!

As you may know, AMPS has consistently prioritized the welfare of our students and provided them with comprehensive support. We truly believe that each and every child holds immense significance to us.

We will be granting scholarships along with scholar certificates/badges during a ceremony which shall be held on 11th August, 2023. C. GENERAL RULES APPLICABLE FOR THE ABOVE SCHOLARSHIPS

1. AMPS scholarships so awarded **will be disbursed twice a year**. The first two quarters disbursement will be automatic; for the next two quarters, the disbursement would be subject to the continued good academic performance of the students in the current session (based on their half yearly performance). *To clarify, the scholarship will be continued only if in the half yearly results the performance of the student does not fall by more than 5% below her/his previous year annual results.*

4. Students receiving any category of scholarship **must pass all subjects in order to qualify for the next quarter, failing which the scholarship would be discontinued**. Factors such as attendance and conduct of the student would also be considered by the school, and scholarships may be revoked at the Management's discretion.
