

Frequently Asked Questions (FAQs)

1. When does the registration process begin?

Admissions registration begins in the month of September for the next academic session. Depending on the availability of seats, mid-session admissions may also be granted. *For online registration and further details, please refer to the Admissions section of our website.*

2. What are the timings of the School?

SUMMER TIMINGS:

Montessori I (pre-nursery) to Class II 8:00 am to 12:30 pm (Junior wing campus)

Classes III–XII 8:00 am to 2:30 pm (Senior wing campus)

WINTER TIMINGS:

Montessori I (pre-nursery) to Class II 8:30 am to 12:45 pm (Junior school campus)

Classes III–XII 8:30 am to 2:20 pm (Senior school campus)

3. What do we understand by Montessori education?

Devised by Dr. Maria Montessori over a century ago, the Montessori Method imparts “education for life”. Grounded in hands-on, experiential learning, its goal is to nurture each child’s natural curiosity and desire for learning through their senses and exploring the world around them. Given the freedom and support to question, probe deeply, and make connections, Montessori children grow up to be confident, independent, enthusiastic, and self-directed learners and citizens, accountable to both themselves and their community. They think critically, work collaboratively, and act with integrity. *For more details, please refer to the Montessori section of our website.*

4. What are some unique features of the AMPS experience?

- Since 1995, we have been one of the first schools in Gurgaon to offer an authentic Montessori pedagogical approach in the younger years, providing a dynamic and nurturing foundation for our children.
- In the older years, we foster a project-based, progressive CBSE pattern that has proven to be effective, leading to commendable results in the Board exams in our senior years.
- Our methodology incorporates a pedagogy of understanding concepts through exploration and experiential learning with regular practice and testing, rather than rote learning/memorization.
- Our excellent faculty: recruited after a rigorous process of selection, highly experienced, and put through continuous training, AMPS teaching faculty are caring and forward-thinking, committed to lifting every child's performance through appropriate and timely interventions and remediation.
- Safety and security for our students is a top priority and this is demonstrated in the CCTV coverage of both our campuses, buses as well as a medical room with a trained nurse on site.
- Our two campuses are conveniently located at the intersection of NH-8 and MG Road close to IFFCO Chowk, making them accessible from diverse areas of Gurgaon.

5. What are some of the co-curricular activities offered at AMPS?

These range from sports activities to the arts, science to humanitarian engagement or literary to culinary. We offer badminton, basketball, cricket, football, gymnastics, table tennis, tae-kwon-do, tennis, track, and field, volleyball, and yoga. In the senior secondary years, we have a Fine Arts lab that allows for student expression to reach incredible heights. Art, music, theatre, technology, and sports are interwoven into the daily schedule to foster our student's creativity, scientific temperament, language, and numeracy skills. In addition, we have a rich array of student clubs for AMPSians to deepen their passions, and place a strong emphasis on participation in various Model United Nations (MUN) programmes held throughout the year.

6. What aspects of student safety and security are covered at AMPS?

- CCTV cameras are in operation in the entirety of both of our campuses.
- No student is left unattended at any point in time. Strict head-count protocols are observed during all movements and designated attendants monitor each floor of the school buildings.
- An elevator operates in the senior wing, providing easy access to students with physical disabilities.
- A well-equipped medical room with a qualified, experienced nurse to cater to various health needs and emergencies.

- GPS and CCTV-enabled buses operate with teachers on duty on all routes.

7. What steps does the school take to maintain the safety of buildings and the school community?

- Evacuation drills and fire drills are conducted twice per academic session.
- Fumigation and sanitization of surroundings are conducted regularly.
- Background checks of all auxiliary staff are verified on a regular basis.

8. Does AMPS offer a Day Boarding Facility?

AMPS provides an optional day boarding program to serve the needs of our working parents. Available from the close of School to 6:30 pm, we provide different activities such as dance, music, games, art & craft, etc. Meals and snacks are prepared on-site in hygienic conditions. *Further details about the programme are available at the school reception.*

9. What transport facilities are available at AMPS?

- The school has air-conditioned buses synchronized with GPRS-enabled app-based devices and CCTV cameras.
- Our bus routes cover all major areas of Gurugram, including up to Manesar and parts of South Delhi.
